BOARD AND COMMITTEE MEETINGS

During the Company's fiscal year ending December 12, 2013, the Board of Directors held a total of two meetings and approved no Actions by Written Consent. During that time, no incumbent Director attended fewer than 75% of the aggregate of the total number of meetings of the Board of Directors (held during the period for which he has been a Director).

There are currently no committees of the Board of Directors as the Company does not have sufficient members on the Board that would be classified as independent members. Management is committed to finding additional appropriate knowledgeable independent Board members to assist in the growth of the Company and sit on various board committees. Prior to the establishment of an Audit and Compensation Committee, the entire Board of Directors will perform the functions to be assigned to this committee.

VOTE NUMBER 2: NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

On February 17, 2009, Congress enacted the Emergency Economic Stabilization Act of 2008 (the “EESA”) and the American Recovery and Reinvestment Act of 2009 (the “ARRA”). The EESA and ARRA, as implemented by various regulations, impose a number of requirements on financial institutions, such as the Company, that received an investment under the Capital Purchase Program of the United States Treasury’s Troubled Asset Relief Program (“TARP”). One of the requirements set forth under EESA is that at each annual meeting of shareholders during the period in which any obligation arising from TARP financial assistance remains outstanding TARP recipients shall permit a separate nonbinding “say on pay” stockholder vote to approve the compensation of executives.

This proposal gave the stockholders the opportunity to vote for or against the following resolution: “RESOLVED, that the shareholders of Regal One (the “Company”) approve the compensation of the Company’s executives as described in the Summary Compensation Table of the Company’s Annual Report filed on April 11, 2013 for the fiscal year ended December 31, 2012.

As provided in the Act, this vote is not binding on the board of directors and may not be construed as overruling a decision by the board of directors, nor creating or implying any additional fiduciary duty by the Board of Directors, nor be construed to restrict or limit the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation.

Because the vote is advisory, it will not be binding upon the Board of Directors. However, the Compensation Committee, if created, will take into account the outcome of the vote when considering future executive compensation arrangements.

VOTE NUMBER 3: ADVISORY VOTE ON FREQUENCY OF ADVISORY VOTE ON EXECUTIVE COMPENSATION

As required by Section 14A of the Securities and Exchange Act on 1934, the company has sought an advisory vote on how often the Company should hold a “say-on-pay” vote. The available choices were: every year, every two years, every three years, or an abstention from voting on this proposal.

Although the vote is non-binding, the Board and the Compensation Committee (if created) will consider the vote results in determining the frequency of future say-on-pay votes. The Company will announce its decision on the frequency of say-on-pay votes in a Form 8-K filed with the SEC no later than 150 days after the next Annual Meeting. In the future, the Board may change the vote frequency based on the nature of the Company’s compensation programs, input from our shareholders, and the Board’s views on the best way to obtain meaningful shareholder input.

The shareholders voted on a non-binding, advisory vote on the compensation paid to the Named Executive Officer every three years.

COMPENSATION OF DIRECTORS

See attached table below.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Exchange Act ("Section 16(a)") requires the Company's Officers and Directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership on Form 3 and changes in ownership on Form 4 or Form 5 with the Securities and Exchange Commission (the "SEC"). Such Officers, Directors and ten percent shareholders are also required by SEC rules to furnish the Company with copies of all such forms that they file. To the Company's knowledge, no person, who at any time was a director, officer or beneficial owner of more than ten percent of any class of equity securities of the Company registered pursuant to Section 12 ("reporting person") failed to file on a timely basis any Form 3, 4, 5 or amendment thereof.
