PROXY STATEMENT  
2019 ANNUAL MEETING OF STOCKHOLDERS

GENERAL

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors (the “Board”) of Princeton Capital Corporation, a Maryland corporation (the “Company,” “we,” “us” or “our”), for use at the Company’s 2019 Annual Meeting of Stockholders (the “Annual Meeting”) to be held at 250 West Pratt Street, Suite 2000, Baltimore, Maryland 21201 on Tuesday, May 28, 2019, at 2:00 p.m., Eastern Time and at any postponements or adjournments thereof. This proxy statement, the accompanying proxy card and the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2018 (the “Annual Report”) are first being sent to stockholders on or about April 18, 2019.

We are pleased to report that the Company is now current with its quarterly and annual financial reporting obligations. As reported in numerous filings with the Securities and Exchange Commission, for a variety of reasons that have been previously disclosed (including the litigation and other events as disclosed in the Company’s preceding year’s proxy statement filed on April 20, 2018), we had been diligently working to catch up on previous delinquent filings. The Company’s management is committed to filing future financial and other regulatory filings on a timely basis and has policies in place to ensure that we are able to do so.

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by granting a proxy (*i.e.*, authorizing someone to vote your shares). If you properly sign and date the accompanying proxy card and the Company receives it in time for the Annual Meeting, the persons named as proxies will vote the shares registered directly in your name in the manner that you specified. This proxy statement is also available via the Internet at [www.princetoncapitalcorp.com](http://www.princetoncapitalcorp.com) (under the “Investor Relations” section). The website also includes electronic copies of the form of proxy and the Annual Report. **If you give no instructions on the proxy card, the shares covered by the proxy card will be voted “FOR” the election of the director nominees and “FOR” the ratification of the selection of WithumSmith&Brown, PC as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2019.** If you have any questions regarding the proxy materials, please contact our Secretary, Gregory J. Cannella, at (978) 794-3366.

## ANNUAL MEETING INFORMATION

### **Date and Location**

We will hold the 2019 Annual Meeting on Tuesday, May 28, 2019, at 2:00pm Eastern Time at 250 West Pratt Street, Suite 2000, Baltimore, Maryland 21201.

### **Admission**

Only record or beneficial owners of the Company's common stock as of the close of business on April 9, 2019 or their proxies may attend the Annual Meeting. Beneficial owners must also provide evidence of stock holdings, such as a recent brokerage account statement.

### **Purpose of the Annual Meeting**

At the Annual Meeting, you will be asked to vote on the following proposals:

1. The election of four (4) directors of the Company;
2. The ratification of the selection of WithumSmith&Brown, PC as the Company's independent registered public accounting firm for the year ending December 31, 2019;
3. To approve the adjournment of the Annual Meeting, if necessary or appropriate, to solicit additional proxies; and
4. To transact such other business as may properly come before the meeting, or any postponement or adjournment thereof.

The Board of Directors is not aware of any other matter to be properly presented for consideration at the Annual Meeting other than the matters set forth herein. If any motion properly presented at the meeting requiring a vote of stockholders arises, the persons named as proxies will vote on such matter in accordance with their discretion. The stockholders of the Company have no dissenters' or appraisal rights in connection with any of the proposals described herein.

## VOTING INFORMATION

### Record Date and Quorum Required

The record date of the Annual Meeting is the close of business on April 9, 2019 (the “Record Date”). You may cast one vote for each share of our common stock that you own of record as of the Record Date.

A quorum of stockholders must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person or by proxy, of stockholders entitled to cast a majority of the votes entitled to be cast as of the Record Date will constitute a quorum. Abstentions will be treated as shares present for quorum purposes. Shares held in “street name” by a bank, broker, or other nominee, and for which the nominee is present (in person or by proxy) and has not received voting instructions from the beneficial owner and does not have discretionary authority to vote the shares on certain proposals (“Broker Non-Votes”) will be treated as shares present for quorum purposes. On the Record Date, there were 120,486,061 shares of our common stock outstanding and entitled to vote. Thus, 60,243,031 shares of our common stock must be present at the Annual Meeting in person or by proxy to have a quorum.

If a quorum is not present at the Annual Meeting, the stockholders who are represented may adjourn the Annual Meeting until a quorum is present. The persons named as proxies may vote those proxies for such adjournment if Proposal 3 on the attached Proxy Card is marked for such adjournment.

### Submitting Voting Instructions for Shares Held Through a Broker

If you hold shares of common stock in “street name” through a broker, bank, or other nominee, you must follow the instructions you receive from your broker, bank, or nominee in order to provide voting instructions to your broker, bank, or nominee. If you hold shares of our common stock through a broker, bank or other nominee and you want to vote in person at the Annual Meeting, you must obtain a legal proxy from the record holder of your shares and present it at the meeting. If you do not submit voting instructions to your broker, bank, or other nominee, your broker, bank, or other nominee will be permitted to vote in its discretion on Proposal 2, to ratify the selection of WithumSmith&Brown, PC as the Company’s independent registered public accounting firm for the year ending December 31, 2019, but will not be permitted to vote your shares on any other proposal considered at the Annual Meeting.

### Authorizing a Proxy for Shares Held in Your Name

If you are a record holder of shares of our common stock, you may authorize a proxy to vote on your behalf by mail, as described on the enclosed proxy card. If you are a stockholder of record, you may also authorize a proxy and provide voting instructions via telephone or Internet by following the instructions on the proxy card. Authorizing a proxy will not limit your right to vote in person at the Annual Meeting. A properly completed, executed and submitted proxy will be voted in accordance with your instructions, unless you subsequently revoke the proxy. If you authorize a proxy without indicating your voting instructions, the proxy holder will vote your shares according to the Board’s recommendations.

### Revoking Your Proxy

If you are a stockholder of record, you can revoke your proxy by (1) delivering a written revocation notice prior to the Annual Meeting to our Secretary, Gregory J. Cannella, at 800 Turnpike Street, Suite 300, North Andover, Massachusetts 01845; (2) delivering a later-dated proxy that we receive no later than the opening of the polls at the Annual Meeting; or (3) voting in person at the Annual Meeting. If you hold shares of common stock through a broker, bank or other nominee, you must follow the instructions you receive from your nominee in order to revoke your voting instructions. Attending the Annual Meeting does not revoke your proxy unless you also vote in person at the Annual Meeting.

## Ownership by Capital Point Partners, LP and Capital Point Partners II, LP

As of the Record Date, Capital Point Partners, LP and Capital Point Partners II, LP (the “Partnerships”) beneficially own 104,562,000 and 10,922,327 shares of the Company’s common stock, respectively, representing approximately 96% of the Company’s outstanding common stock and voting power. We entered into an agreement with the Partnerships concerning their obligations pursuant to Section 12(d)(1)(e) of the Investment Company Act of 1940, as amended (the “1940 Act”). Under this agreement, the Partnerships will either (i) seek instructions from those holding interests in the Partnerships with regards to voting proxies issued by the Company or (ii) vote the shares of the Company’s common stock they own in the same proportion “for” and “against” each proposal as all of our other stockholders vote their shares of the Company’s common stock on each of the matters to be voted on by stockholders at the Annual Meeting.

---

<sup>1</sup> Plurality means the individual who gets the most votes, regardless of whether or not such individual obtains a majority of the votes.

## INFORMATION REGARDING THIS SOLICITATION

Our Board is making this solicitation and the Company will bear the expense of the solicitation of proxies for the Annual Meeting, including the cost of preparing, printing, and mailing this proxy statement, the accompanying Notice of Annual Meeting of Stockholders, and the proxy card. The Company will pay market rates for such services, which the Company has estimated to be approximately \$20,000. If brokers, trustees, or fiduciaries and other institutions or nominees holding shares in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners, we will, upon request, reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by the use of the mail, proxies may be solicited in person and/or by telephone or facsimile transmission by directors or officers of the Company. No additional compensation will be paid to directors or officers of the Company for such services.

Stockholders may also authorize a proxy and provide their voting instructions by telephone and through the Internet. This option requires stockholders to input the Control Number which is located on each proxy card. After inputting this number, stockholders will be prompted to provide their voting instructions. Stockholders authorizing a proxy via the Internet will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their Internet link. Stockholders who authorize a proxy via the Internet, in addition to confirming their voting instructions prior to submission, will also receive an e-mail confirming their instructions upon request.

If a stockholder wishes to participate in the Annual Meeting, but does not wish to give a proxy electronically, the stockholder may still submit the proxy card originally sent with this Proxy Statement or attend the Annual Meeting in person.

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

A number of brokerages and other institutional holders of record have implemented householding. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. If you have received notice from your broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker. Stockholders who currently receive multiple copies of the proxy statement at their addresses and would like to request information about householding of their communications should contact their brokers or other intermediary holder of record. You can notify us by sending a written request to: Gregory J. Cannella, Secretary, Princeton Capital Corporation, 800 Turnpike Street, Suite 300, North Andover, Massachusetts 01845, or by calling (978) 794-3366.

## SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of April 9, 2019, the beneficial ownership of each current director (and each nominee for director), the Company's executive officers, each person known to us to beneficially own 5% or more of the outstanding shares of the Company's common stock, and the executive officers and directors as a group.

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. Common stock subject to options or warrants that are currently exercisable or exercisable within 60 days of April 9, 2019 are deemed to be outstanding and beneficially owned by the person holding such options or warrants. Such shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of any other person. Percentage of ownership is based on 120,486,061 shares of the Company's common stock outstanding as of April 9, 2019.

Unless otherwise indicated, to our knowledge, each stockholder listed below has sole voting and investment power with respect to the shares beneficially owned by the stockholder, except to the extent authority is shared by their spouses under applicable law. Unless otherwise indicated, the address of all executive officers and directors is c/o Princeton Capital Corporation, 800 Turnpike Street, Suite 300, North Andover, Massachusetts 01845.

The Company's directors are divided into two groups — interested directors and independent directors. Interested directors are "interested persons" as defined in Section 2(a)(19) of the 1940 Act and the NASDAQ ("NASDAQ") Stock Market Rules, as the Over the Counter Pink ("OTCPK") exchange where the Company trades, does not establish director independence standards.

Mr. DiSalvo and Sema4, Inc. each disclaims beneficial ownership of any shares held by CPP and CPP II, except to the extent of their pecuniary interest therein. ## PROPOSAL 1: ELECTION OF DIRECTORS

Proposal 1 is that we are proposing to re-elect the following directors to the Board: Greg Bennett, Mark DiSalvo, Darren Stainrod, and Martin Laidlaw, as further described herein.

Our business and affairs are managed under the direction of the Board. Pursuant to the Company's Charter and bylaws, the number of directors on our Board is currently fixed at five directors, and all directors, beginning with the 2018 Annual Meeting of Stockholders that was held on May 30, 2018, will stand for election to a term expiring at the next annual meeting of stockholders or until their respective successors are duly elected and qualified. Messrs. Laidlaw, Bennett, DiSalvo, and Stainrod were each elected at the 2018 Annual Meeting of Stockholders and their terms will expire at the 2019 Annual Meeting. The Company's Nominating and Corporate Governance Committee, in accordance with the Nominating and Corporate Governance Committee Charter dated as of December 6, 2016, recommended that one vacancy remain on the Board until the Company caught up on its past due SEC filings. Now that the Company has caught up on its past due filings, the Board and the Nominating and Corporate Governance Committee intend to review and consider filling the existing vacancy on the Board following the 2019 Annual Meeting of the Stockholders.

In this regard, four directors are to be elected at the Annual Meeting. All of the directors elected at the Annual Meeting will serve until the 2020 Annual Meeting of Stockholders, and until their successors are duly elected and qualified, or until their earlier death, resignation or removal.

The Board, upon the recommendation of the Nominating and Corporate Governance Committee, has recommended as nominees for election as directors, to serve until the 2020 Annual Meeting or until their respective successors are duly elected and qualified, the persons named below. All of the nominees are currently directors of the Company and each of the nominees terms are expiring at the Annual Meeting. The proxies cannot be voted for more than four directors at the Annual Meeting. Since fewer nominees are named for director than the number fixed by the Charter of the Company, the proxies cannot be voted for a greater number of persons than the number of nominees named. The Company's stockholders are not being asked to vote separately on an amendment to the Company's Charter to reduce the size of the Board because the Company's Charter and Bylaws delegate the power to reduce the size of the Board solely to the Board and not to the Company's stockholders.

Each of the nominees has indicated his willingness to serve as a director if elected and has consented to be named as a nominee. None of the nominees are being nominated to serve as a director pursuant to any agreement or understanding between them and the Company.

A stockholder can vote for or withhold his or her vote for each of the nominees. **In the absence of instructions to the contrary, the persons named as proxies will vote such proxy FOR the election of the nominees named in this proxy statement. If any of the nominees should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person as is nominated by the Board as a replacement.** The Board has no reason to believe that any of the nominees will be unable or unwilling to serve.

### Information about Director Nominees

As described below under "Committees of the board of directors — Nominating and Corporate Governance Committee," the Board has identified certain desired attributes for director nominees, which criteria was evaluated by the Nominating and Corporate Governance Committee as a part of the nomination process for the upcoming Annual Meeting. Each of the director nominees has demonstrated high character and integrity, superior credentials and recognition in his respective field and the relevant expertise and experience upon which to be able to offer advice and guidance to our management. Each of our director nominees also has sufficient time available to devote to the affairs of the Company, is able to work with the other members of the Board and contribute to the success of the Company and can represent the long-term interests of the Company's stockholders as a whole. Our director nominees have been selected such that the Board represents a range of backgrounds and experience.

Certain information, as of the Record Date, with respect to the director nominees, is set forth below, including their names, ages, a brief description of their business experience during the past five years, including present occupations and employment, directorships that each person holds and has held in the past five years, the year in which each person became a director of the Company, and a discussion of their particular experience, qualifications, attributes or skills that lead us to conclude, as of the Record Date, that such individual should serve as a director of the Company, in light of the Company's business and structure.

The business address of the nominees for directors listed below is 800 Turnpike Street, Suite 300, North Andover, Massachusetts 01845.

#### **Nominees for Directors**

Mr. DiSalvo is an “interested person” of the Company as defined in the 1940 Act and NASDAQ Rules due to his controlling interest in Sema4, Inc., which is the general partner of Capital Point Partners, LP and Capital Point Partners II, LP. Each of Messrs. Stainrod, Laidlaw and Bennett is not an “interested person” of the Company as defined in the 1940 Act and the NASDAQ Rules.

#### ***Interested Directors***

#### Board of Directors and Its Leadership Structure

Our business and affairs are managed under the direction of our Board. The Board consists of four directors, three of whom are not “interested persons” of the Company, or its affiliates as defined in Section 2(a)(19) of the 1940 Act and NASDAQ Rules. We refer to these individuals as our “independent directors.” The Board currently has one vacancy following the resignation of Mr. Sood on September 27, 2017. As disclosed elsewhere in this proxy statement, following the 2019 Annual Meeting, the Board and the Nominating and Corporate Governance Committee intend to review the number of directors serving upon the Board and consider the experiences and strengths desirable for

directors serving on the Board, in light of the Company becoming current on its past due SEC filings. The Board elects our officers, who serve at the discretion of the Board. The responsibilities of the Board include quarterly valuation of our assets, corporate governance activities, oversight of our financing arrangements and oversight of our investment activities.

Oversight of our investment activities extends to oversight of the risk management processes employed by House Hanover, LLC (“House Hanover”) as part of its day-to-day management of our investment activities under the Investment Advisory Agreement. The Board anticipates reviewing risk management processes at both regular and special board meetings throughout the year, consulting with appropriate representatives of House Hanover, as necessary and periodically requesting the production of risk management reports or presentations. The goal of the Board’s risk oversight function is to ensure that the risks associated with our investment activities are accurately identified, thoroughly investigated and responsibly addressed. Stockholders should note, however, that the Board’s oversight function cannot eliminate all risks or ensure that particular events do not adversely affect the value of investments.

The Board has established an audit committee, a nominating and corporate governance committee, and a valuation committee and may establish additional committees from time to time as necessary. The scope of the responsibilities assigned to each of these committees is discussed in greater detail below. Mr. DiSalvo is the sole owner and an affiliate of House Hanover, the investment advisor of the Company. Mr. DiSalvo is an “interested person” of the Company as defined in Section 2(a)(19) of the 1940 Act and NASDAQ Rules due to his ownership of Sema4, Inc., the general partner of Capital Point Partners, LP and Capital Point Partners II, LP, which own approximately 87% and 9% of the outstanding common stock of the Company respectively.

Mr. Stainrod serves as the Company’s Chairman of the Board. In addition to having an independent director serve as the Company’s Chairman of the Board, our corporate governance practices are intended to provide additional risk management for our Company. These governance practices include regular meetings of the independent directors in executive session without the presence of interested directors and management, the establishment of an audit committee, a nominating and corporate governance committee, and a valuation committee, each of which is comprised solely of independent directors, and the appointment of a Chief Compliance Officer, with whom the independent directors meet without the presence of interested directors and other members of management, for administering our compliance policies and procedures. The Chairman or his designee will preside over the executive sessions of our independent directors.

The Board believes that its leadership structure is appropriate in light of our characteristics and circumstances because the structure allocates areas of responsibility among the individual directors and the committees in a manner that affords effective oversight. Specifically, the Board believes that the relationship of Mr. DiSalvo provides an effective bridge between the Board, the Company’s investment advisor and management, and encourages an open dialogue between management and our Board, ensuring that these groups act with a common purpose. The Board also believes that its small size creates a highly efficient governance structure that provides ample opportunity for direct communication and interaction between our management, the Company’s investment advisor and the Board.

#### **Board Meetings**

Our Board met eight times during 2018. Mr. DiSalvo attended at least 87.5% of the total number of meetings of the Board that were held during 2018 and Messrs. Bennett, Laidlaw, and Stainrod attended 100% of the total number of meetings of the Board and committees on which the directors serve that were held while the director was a member during 2018. The Board’s standing committees are set forth below. We require each director to make a diligent effort to attend all Board and committee meetings, as well as each Annual Meeting of Stockholders. All of the board members attended, in person or via teleconference, the Company’s 2018 Annual Meeting of Stockholders.

#### **Audit Committee**

The members of the audit committee are Messrs. Laidlaw, Stainrod, and Bennett each of whom meets the independence standards established by the SEC and the NASDAQ (the “NASDAQ”) for audit committees and is independent for purposes of the 1940 Act. Mr. Laidlaw serves as chairman of the audit committee. Our Board has determined that Mr. Laidlaw is an “audit committee financial expert” as that term is defined under Item 407 of Regulation S-K of the Securities Exchange Act of 1934, as amended. The Board has adopted a charter of the audit committee, which is available in print to any stockholder who requests it and it is also available on the Company’s website at [www.princetoncapitalcorp.com](http://www.princetoncapitalcorp.com). The audit committee met six times during 2018. Each member attended 100% of the audit committee meetings that were held while the director was a member of the audit committee in 2018.

The audit committee is responsible for approving our independent accountants, reviewing with our independent accountants the plans and results of the audit engagement, approving professional services provided by our independent accountants, reviewing the independence of our independent accountants and reviewing the adequacy of our internal accounting controls. The audit committee is also responsible for aiding our Board in fair value pricing debt and equity securities that are not publicly traded or for which current market values are not readily available. The Board and audit committee utilizes the services of an independent valuation firm to help them determine the fair value of these securities. Given that the audit committee is comprised of all the independent directors on the Board, the audit committee may also be tasked with special investigations into director and/or officer conduct, conflicts of interest, or other claims impacting the Company, as was the case in relation to the independent directors' consideration of a former vendor/provider of services which ultimately resulted in a confidential settlement agreement, as disclosed in the Company's Form 10-K for the fiscal year ended December 31, 2017 and filed with the SEC on November 30, 2018. In addition to the six audit committee meetings described above, the independent directors met three separate times during 2018 in its role as independent directors assessing the former vendor/provider of services described above. Each independent director attended 100% of these separate independent director meetings in 2018.

#### **Nominating and Corporate Governance Committee**

The members of the nominating and corporate governance committee are Messrs. Stainrod, Laidlaw, and Bennett, each of whom is independent for purposes of the 1940 Act and the NASDAQ corporate governance regulations. Mr. Stainrod serves as chairman of the nominating and corporate governance committee. The nominating and corporate governance committee is responsible for selecting, researching and nominating directors for election by our stockholders, selecting nominees to fill vacancies on the Board or a committee of the Board, developing and recommending to the Board a set of corporate governance principles and overseeing the evaluation of the Board and our management. The Board has adopted a charter of the nominating and corporate governance committee, which is available in print to any stockholder who requests it and it is also available on the Company's website at [www.princetoncapitalcorp.com](http://www.princetoncapitalcorp.com). The nominating and corporate governance committee met one time during 2018. Each member attended 100% of the nominating and corporate governance committee meetings that were held while the director was a member of the nominating and corporate governance committee in 2018.

The nominating and corporate governance committee will consider nominees to the Board recommended by a stockholder if such stockholder complies with the advance notice provisions of our bylaws. Our bylaws provide that a stockholder who wishes to nominate a person for election as a director at a meeting of stockholders must deliver written notice to our corporate secretary. This notice must contain, as to each nominee, all of the information relating to such person as would be required to be disclosed in a proxy statement meeting the requirements of Regulation 14A under the Securities Exchange Act of 1934, as amended, and certain other information set forth in the bylaws. In order to be eligible to be a nominee for election as a director by a stockholder, such potential nominee must deliver to our corporate secretary a written questionnaire providing the requested information about the background and qualifications of such person, and would be in compliance with all of our publicly disclosed corporate governance, conflict of interest, confidentiality and stock ownership and trading policies and guidelines.

The nominating and corporate governance committee has not adopted a formal policy with regard to the consideration of diversity in identifying individuals for election as members of the Board, but the committee will consider such factors as it may deem are in our best interests and those of our stockholders. Those factors may include a person's differences of viewpoint, professional experience, education and skills, as well as his or her race, gender and national origin. In addition, as part of the board's annual self-assessment, the members of the nominating and corporate governance committee will evaluate the membership of the Board and whether the board maintains satisfactory policies regarding membership selection.

#### **Valuation Committee**

The members of the valuation committee are Messrs. Laidlaw, Bennett and Stainrod. Mr. Bennett serves as chairman of the valuation committee. The valuation committee is responsible for establishing guidelines and making recommendations to the Board on matters relating to the valuation of our investments. The valuation committee met four times during 2018. Each member attended 100% of the valuation committee meetings that were held while the director was a member of the valuation committee in 2018.

## Compensation Committee

We do not have a compensation committee or a committee performing similar functions because our executive officers do not receive any direct compensation from the Company. All decisions concerning compensation of House Hanover are made by the Board (with Mr. DiSalvo recusing himself from deliberations and voting). Executive officers of the Company are employees or independent contractors of, and are compensated by, House Hanover. Compensation payable by the Company to the Advisor is required to be approved by a majority of the Company's independent directors pursuant to Section 15(c) of the 1940 Act. Since the Audit Committee consists of a majority of the independent directors of the Company, the Company has allocated responsibility to consider the compensation paid to the Advisor to the Audit Committee.

The Nominating and Corporate Governance Committee will review the form and amount of independent director compensation at least annually and make any changes, as it deems appropriate.

## Compensation of Directors

For the year ended December 31, 2017, \$145,288 in director's fees for the independent directors were accrued, of which \$145,288 has been paid, with \$141,457 paid in 2017 and \$3,831 paid in 2018. They will also receive \$1,500 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with each committee meeting attended in person and each telephonic committee meeting. The chairmen of the audit committee, the valuation committee and the nominating and corporate governance committee will receive an annual fee of \$3,500, respectively. On March 13, 2017, the independent directors agreed to cap director's fees at \$50,000 per independent director annually, and to have an amount of \$12,500 advanced to them each quarter, subject to true up at the end of each quarter. We have obtained directors' and officers' liability insurance on behalf of our directors and officers. No compensation is paid to directors who are "interested persons."

At a Board Meeting held on April 5, 2018, the independent directors appointed Mr. Bennett as the "lead independent director" in settlement negotiations with a former vendor/provider of services of the Company. As a result of Mr. Bennett's increased role and time spent in negotiations and settlement conferences, on October 29, 2018, the Board, including a majority of the independent directors (with Mr. Bennett recusing himself) authorized an additional \$5,000 in compensation that was paid to Mr. Bennett.

The following table shows information regarding the compensation earned by our directors for the fiscal year ended December 31, 2018. No compensation is paid by us to any interested director or executive officer of the Company.

### Corporate Governance Documents

Our Corporate Governance Guidelines, Code of Business Conduct, Ethics and Statement on Prohibition of Insider Trading and the charters of the Audit Committee, Nominating and Corporate Governance Committee and Valuation Committee are available at [www.princetoncapitalcorp.com](http://www.princetoncapitalcorp.com) and are also available to any stockholder who requests them by writing to our Secretary, Gregory J. Cannella, at Princeton Capital Corporation, 800 Turnpike Street, Suite 300, North Andover, Massachusetts 01845.

### Director Independence

In accordance with rules of the NASDAQ, the Board annually determines the independence of each director. No director is considered independent unless the Board has determined that he or she has no material relationship with the Company. The Company monitors the status of its directors and officers through the activities of the Company's nominating and corporate governance committee and through a questionnaire to be completed by each director no less frequently than annually (and most recently in March of 2019), with updates periodically if information provided in the most recent questionnaire has changed.

In order to evaluate the materiality of any such relationship, the Board uses the definition of director independence set forth in the rules promulgated by the NASDAQ Stock Market. Rule 5605(a)(2) provides that a director of a business development company ("BDC") shall be considered to be independent if he or she is not an "interested person" of the Company, as defined in Section 2(a)(19) of the 1940 Act. Section 2(a)(19) of the 1940 Act defines an "interested person" to include, among other things, any person who has, or within the last two years had, a material business or professional relationship with the Company.

The Board has determined that each of the directors is independent and has no relationship with the Company, except as a director and stockholder of the Company, with the exception of Mr. DiSalvo. Mr. DiSalvo is an interested person of the Company due to his interests in House Hanover, our investment advisor, his position as Interim Chief Executive Officer and Interim President of the Company, and his interests in Sema4, Inc., the general partner of Capital Point Partners, LP and Capital Point Partners II, LP, which own approximately 87% and 9% of our common stock, respectively.

### Communication with the Board

We believe that communications between our Board, our stockholders and other interested parties are an important part of our corporate governance process. Stockholders with questions about the Company are encouraged to contact our Secretary, Gregory J. Cannella, at (978) 794-3366. However, if stockholders believe that their questions have not been addressed, they may communicate with the Company's Board by sending their communications to Princeton Capital Corporation, 800 Turnpike Street, Suite 300, North Andover, Massachusetts 01845, Attn.: Board of Directors. All stockholder communications received in this manner will be delivered to one or more members of the Board.

All communications involving accounting, internal accounting controls and auditing matters, possible violations of, or non-compliance with, applicable legal and regulatory requirements or policies, or retaliatory acts against anyone who makes such a complaint or assists in the investigation of such a complaint, will be referred to our audit committee.

The acceptance and forwarding of a communication to any director does not imply that the director owes or assumes any fiduciary duty to the person submitting the communication, all such duties being only as prescribed by applicable law.

### Code of Business Conduct and Ethics and Statement on the Prohibition of Insider Trading

Our Code of Business Conduct and Ethics and Statement on the Prohibition of Insider Trading (the "Code of Ethics"), which is signed by directors and executive officers of the Company, requires that directors and executive officers avoid any conflict, or the appearance of a conflict, between an individual's personal interests and the interests of the Company. Pursuant to the Code of Ethics which is available on our website under the "Corporate Governance" link under the "Princeton Capital Corporation" link at [www.princetoncapitalcorp.com](http://www.princetoncapitalcorp.com), each director and executive

officer must disclose any conflicts of interest, or actions or relationships that might give rise to a conflict, to the audit committee. Certain actions or relationships that might give rise to a conflict of interest are reviewed and approved by the Board. The Code of Ethics also contains our policies and procedures relating to insider trading and material non-public information.

#### **Compensation of Executive Officers**

None of our officers receive direct compensation from the Company. Mr. DiSalvo, through his financial interest in House Hanover is entitled to receive and has received a portion of investment advisory fees paid by the Company to House Hanover under the Investment Advisory Agreement with the Company. Our other executive officers will be paid by House Hanover, subject to reimbursement by us of our allocable portion of such compensation for services rendered by such persons to the Company under the Investment Advisory Agreement. To the extent that House Hanover outsources any of its functions, we will reimburse House Hanover for the fees associated with such functions without profit or benefit to House Hanover.

#### **Indemnification Agreements**

We have entered into indemnification agreements with our directors. The indemnification agreements are intended to provide our directors the maximum indemnification permitted under Maryland law and the 1940 Act. Each indemnification agreement provides that the Company shall indemnify the director who is a party of the agreement (an "Indemnitee"), including the advancement of legal expenses, if, by reason of his or her corporate status, the Indemnitee is, or is threatened to be, made a party to or a witness in any threatened, pending, or completed proceeding, to the maximum extent permitted by Maryland law and the 1940 Act.

#### **Certain Relationships and Transactions**

We have procedures in place for the review, approval and monitoring of transactions involving us and certain persons related to us. As a business development company, the 1940 Act restricts us from participating in transactions with any persons affiliated with us, including our officers, directors, and employees and any person controlling or under common control with us or our affiliates, subject to certain exceptions. In the ordinary course of business, we may enter into transactions with portfolio companies that may be considered related party transactions. We have implemented certain procedures, both written and unwritten, to ensure that we do not engage in any prohibited transactions with any persons affiliated with us. If such affiliations are found to exist, we will seek Board and/or committee review and approval or exemptive relief for such transactions, as appropriate. In accordance with NASDAQ Rule 5630, an independent body of the Board shall be responsible for conducting an appropriate review and oversight of all related party transactions. The Board has delegated this responsibility to the Audit Committee.

As disclosed in various filings with the SEC, House Hanover has served as the Company's investment advisor since January 1, 2018 under an Interim Investment Advisory Agreement that took effect on January 1, 2018 and terminated on May 30, 2018 (the "Interim Investment Advisory Agreement") and an Investment Advisory Agreement that took effect on May 31, 2018 (the "Investment Advisory Agreement"). The Investment Advisory Agreement was approved by the Company's stockholder at the 2018 Annual Meeting of Stockholders. The value of the Interim Investment Advisory Agreement and the Investment Advisory Agreement was determined based on a management fee. The amount paid to House Hanover for the fiscal year ended December 31, 2018, under the Interim Investment Advisory Agreement and the Investment Advisory Agreement was \$402,750. In addition to compensation based on a management fee, the Investment Advisory Agreement also provides for, subject to approval by the Board of Directors, reimbursement for the portion of any compensation expense and the costs of any salaries of any such employees to the extent attributable to services performed by such employees for the Company ("Administration Expenses"). The amount of Administration Expenses accrued for House Hanover for the fiscal year ended December 31, 2018 under the Interim Investment Advisory Agreement and the Investment Advisory Agreement was \$264,000. House Hanover is controlled by Mr. DiSalvo.

Mr. DiSalvo owns all of the interests in Sema4, Inc., the general partner of Capital Point Partners, LP and Capital Point Partners II, LP, which own approximately 87% and 9% of our common stock, respectively.

#### **SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934, as amended, and the disclosure requirements of Item 405 of SEC Regulation S-K require that our directors and executive officers, and any persons holding more than 10% of any class of our equity securities report their ownership of such equity securities and any subsequent changes in that ownership to the SEC and to us.

Based solely on a review of the written statements and copies of such reports furnished to us by our executive officers, directors and greater than 10% beneficial owners, we believe that during the fiscal year ended December 31, 2018 all Section 16(a) filing requirement applicable to the executive officers, directors and greater than 10% beneficial owners were timely satisfied.

**PROPOSAL 2: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC  
ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2019**

The Audit Committee and the independent directors of the board of directors have selected WithumSmith&Brown, PC (“WithumSmith”) to serve as the independent registered public accounting firm for the Company for the fiscal year ending December 31, 2019. This selection is subject to ratification by the stockholders of the Company.

WithumSmith has advised us that neither the firm nor any present member or associate of it has any material financial interest, direct or indirect, in the Company or its affiliates. It is expected that a representative of WithumSmith will be present at the Annual Meeting and will have an opportunity to make a statement if he or she chooses and will be available to answer questions.

**THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE  
RATIFICATION OF THE SELECTION OF WITHUMSMITH AS THE COMPANY’S INDEPENDENT  
REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2019.**

In addition to the Total Fees set forth above, the Company paid \$10,006 to the Company's prior independent registered public accounting firm, in order to provide an opinion letter for work that the prior auditor had performed in prior years that was included in the Company's 2016 Form 10-K that was filed with the SEC on April 6, 2018.

### Pre-Approval Policy

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit related, tax and other services to be provided by the Company's independent registered public accounting firm. The policy requires that the Audit Committee pre-approve all audit and non-audit services performed by the independent auditor in order to assure that the provision of such service does not impair the auditor's independence. In accordance with the pre-approval policy, the Audit Committee includes every year a discussion and pre-approval of such services and the expected costs of such services for the year.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval at the first Audit Committee meeting of the year must be submitted to the Audit Committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management.

## AUDIT COMMITTEE REPORT

Management is responsible for the Company's internal controls and the financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with auditing standards generally accepted in the United States and expressing an opinion on the conformity of those audited financial statements in accordance with accounting principles generally accepted in the United States. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee is also directly responsible for the appointment, compensation and oversight of the Company's independent registered public accounting firm.

### Review with Management

The Audit Committee has reviewed the audited financial statements and met and held discussions with management regarding the audited financial statements. Management has represented to the Audit Committee that the Company's financial statements were prepared in accordance with accounting principles generally accepted in the United States.

### Review and Discussion with Independent Registered Public Accounting Firm

The Audit Committee has discussed with WithumSmith the matters required to be discussed by Statement of Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. SAS No. 61, as amended, requires our independent registered public accounting firm to discuss with our Audit Committee, among other things, the following:

- methods used to account for significant unusual transactions;
- the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;
- the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors' conclusions regarding the reasonableness of those estimates; and
- disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the consolidated financial statements.

The Audit Committee received and reviewed the written disclosures and the letter from the independent registered public accounting firm required by the applicable Public Company Accounting Oversight Board rule regarding the independent accountant's communications with audit committees concerning independence and has discussed with the auditors the auditors' independence. The Audit Committee has also considered the compatibility of non-audit services with the auditors' independence.

### Conclusion

Based on the Audit Committee's discussion with management and the independent registered public accounting firm, the Audit Committee's review of the audited financial statements, the representations of management and the report of the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended that the Board include the audited financial statements in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018 for filing with the SEC.

The material contained in the foregoing Audit Committee Report is not "soliciting material," is not deemed "filed" with the SEC, and is not to be incorporated by reference into any filing of the Company under the Securities Act of 1933, as amended, or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing

### **PROPOSAL 3: ADJOURNMENT OF THE ANNUAL MEETING**

The Company's stockholders may be asked to consider and act upon one or more adjournments of the Annual Meeting, if necessary or appropriate, to solicit additional proxies in favor of any or all of the other proposals set forth in this proxy statement.

If a quorum is not present at the Annual Meeting, the Company's stockholders may be asked to vote on the proposal to adjourn the Annual Meeting to solicit additional proxies. If a quorum is present at the Annual Meeting, but there are not sufficient votes at the time of the Annual Meeting to approve one or more of the proposals, the Company's stockholders may also be asked to vote on the proposal to approve the adjournment of the Annual Meeting to permit further solicitation of proxies in favor of the other proposals. However, a stockholder vote may be taken on one of the proposals in this proxy statement prior to any such adjournment if there are sufficient votes for approval on such proposal.

If the adjournment proposal is submitted for a vote at the Annual Meeting, and if the Company's stockholders vote to approve the adjournment proposal, the meeting will be adjourned for not more than 120 days following the original record date to enable the Board to solicit additional proxies in favor of one or more proposals. If the adjournment proposal is approved, and the Annual Meeting is adjourned, the Board will use the additional time to solicit additional proxies in favor of any of the proposals to be presented at the Annual Meeting, including the solicitation of proxies from stockholders that have previously voted against the relevant proposal.

The Board believes that, if the number of shares of the Company's common stock voting in favor of any of the proposals presented at the Annual Meeting is insufficient to approve a proposal, it is in the best interests of the Company's stockholders to enable the Board, for a limited period of time, to continue to seek to obtain a sufficient number of additional votes in favor of the proposal. Any signed proxies received by the Company in which no voting instructions are provided on such matter will be voted in favor of an adjournment in these circumstances. The time and place of the adjourned meeting will be announced at the time the adjournment is taken. Any adjournment of the Annual Meeting for the purpose of soliciting additional proxies will allow the Company's stockholders who have already sent in their proxies to revoke them at any time prior to their use at the Annual Meeting adjourned or postponed.

**THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE "FOR" THE ADJOURNMENT OF THE ANNUAL MEETING, IF NECESSARY OR APPROPRIATE, TO SOLICIT ADDITIONAL PROXIES.**

## OTHER BUSINESS

The Board knows of no other business that may properly be presented for action at the Annual Meeting. If any matters do come before the Annual Meeting on which action can properly be taken, the persons named as proxies will vote in their discretion on any such matter. The submission of a proposal does not guarantee its inclusion in the Company's proxy statement or presentation at the Annual Meeting unless certain securities law requirements are met.

## SUBMISSION OF STOCKHOLDER PROPOSALS

Pursuant to Rule 14a-8 under the Exchange Act, some stockholder proposals may be eligible for inclusion in the Company's 2019 proxy statement. Any stockholder proposal under Rule 14a-8 must be submitted, along with proof of ownership of the Company's stock in accordance with Rule 14a-8(b)(2), to the Company's principal executive offices in care of the Company's Secretary by letter to 800 Turnpike Street, Suite 300, North Andover, Massachusetts 01845. Failure to deliver a proposal in accordance with this procedure may result in the proposal not being deemed timely received. The Company must have received all submissions no later than the close of business (5:00 p.m. Eastern Time) on Wednesday, December 21, 2018, which is not less than 120 calendar days before the date of the Company's proxy statement released to shareholders in connection with the previous year's annual meeting. The Company encourages any stockholder interested in submitting a proposal to contact the Company's Secretary in advance of this deadline to discuss the proposal, and stockholders may find it helpful to consult knowledgeable counsel with regard to the detailed requirements of applicable securities laws. Submitting a stockholder proposal does not guarantee that we will include it in the Company's proxy statement. The Board of Directors reviews all stockholder proposals and will take appropriate action on such proposals.

In addition, under the Company's Bylaws, any stockholder who intends to nominate a candidate for election to the Board or to propose any business at the 2019 Annual Meeting, other than precatory (non-binding) proposals presented under Rule 14a-8, must have given notice to the Company's Secretary not earlier than Wednesday, November 21, 2018, which is 150 days prior to the first anniversary of the date of the proxy statement for the preceding year's annual meeting, and no later than the close of business on Wednesday, December 21, 2018. The notice must include information specified in the Company's Bylaws, including information concerning the nominee or proposal, as the case may be, and information about the stockholder's ownership of, and agreements related to, the Company's stock. The Company will not entertain any proposals or nominations at the 2019 Annual Meeting that do not meet the requirements set forth in the Company's Bylaws. Also, if the stockholder does not also comply with the requirements of Rule 14a-4(c)(2) under the Exchange Act, the Company's proxies may exercise discretionary voting authority under proxies that the Company's Board of Directors solicits to vote in accordance with their best judgment on any such stockholder proposal or nomination. The Bylaws are available on the SEC's website attached as an exhibit to the Company's Form 8-K filed with the SEC on March 19, 2015. To make a submission or to request a copy of the Company's Bylaws, stockholders should contact the Company's Secretary at the address listed above.

No stockholder proposals or nominations were received by the Company for the Annual Meeting by the Wednesday, December 21, 2018 deadline.

Proposals of stockholders that are intended to be presented at the Company's 2020 Annual Meeting of Stockholders must be received by the Company's Secretary at the address set forth above, not later than December 17, 2019. As provided in the Company's Bylaws, proposals intended to nominate a candidate for election to the Board at the 2020 Annual Meeting, must be received by the Corporate Secretary at the address set forth above, not earlier than November 17, 2019 and not later than December 17, 2019.

Proxies solicited by the Company will confer discretionary voting authority with respect to any Stockholder proposals, subject to SEC rules governing the exercise of this authority.
